It's time for the West Bay Woodturners 2011 annual club competition!

We invite turners of all levels: Beginner, Intermediate, Advanced, and Professional. For definitions of the skill levels or entry categories, competition rules, or any other information about the event, see the club website at www.westbaywoodturners.com/club/competition2011.html. There were 77 entries in the last club competition – let's see if we can match that level of participation!

Benefits and Prizes: Entrants will receive detailed feedback on their work, to help them improve their turning abilities. There are also multiple prizes available. There will be ribbons for first, second, and third place in each category at each skill level. In addition, the best piece for each skill level receives a special "Best in Class" ribbon and a \$50 gift certificate to Craft Supplies. For the best item in the show, there is also a beautiful "Best in Show" ribbon and a \$50 gift certificate to Craft Supplies.
