Club Message

Next meeting on Jan 13th, at 7PM, at Old Location: Hillsdale HS

Notes from Clarence:

The Christmas Party went quite well, and the gift exchange went very well. the quality and abundance of the turned gifts was as good as ever. The turnout was quite good with over 40 folks in attendance. The Los Altos location was superb, and of course Gordon did a marvelous job, as did all offering good food.

Dues for the club are now due, with the cost the same: \$25 per member. Please submit a check to Ken to renew. In Feb the cost of a late fee will be added.

We do need officers, so the Bd has decided to run a nominating committee to recruit new officers. Edgar will chair that committee.

New items were added to the library and we are awaiting the copying of the DVD's before distributing. Please let Terry Gannon know if you wish to contribute to the review of the new website. He is planning to do a version for review in this Dec or early January.

Interesting point made by Bud Trapp on a new drying approach. See Ron Kent's website <http://www.ronkent.com/techniques.php> for the details of the creative use of Dish washer liquid. Send any reports to TGannon for inclusion into the newsletter, as experience builds with this idea.

Minutes of the Monthly Meeting of the Westbay Woodturners, Dec 2008, at the Senior Center, 1 North San Antonio Road, Los Altos, CA

The food and presents were superb, and the turnout of turners and spouses was excellent.

The gift exchange was marvelous, as Ken shows, and the ornament raffle went well, with many fine ornaments donated and acquired.

The silent auction also garnered more funds as the evening came to a close.

Ken jokingly remarked that we were asking for a bailout, and that there could be layoff.

Much fun was had by all, and speaking for the reporter, it was nice to share some fine libations with good friends.

Special thanks again to Gordon, and to all those who provided assistance and good food.

Happy New Year to all and to all a good day.
